

## Josephine Sunset Home Centennial Gala Event

*Join us in celebrating 100 years of caring for the elderly, frail, those rehabilitating, and the children in our childcare programs. Josephine Sunset Home's centennial celebration gala event will be a history making event not to be missed.*

*Enjoy an evening of delicious food prepared by Brindle's Bistro executive chef Gregory McCammond featuring a full appetizer buffet, plated 'tuxedo' dinner entree, dessert, and bar service. Wine will be served for those interested. A "special martini" selection will be available for a donation amount.*

*Join us as the evening will include beautiful raffle items, interesting stories of Josephine Old Peoples' Home and the remarkable gift from John Hals in memory of his young wife, Josephine, dancing and entertainment by nationally known Seattle jazz musician Darren Motamedy. Dress attire is semi-formal. The cost is only \$50 per person.*

*Donations of cash or bequeaths will be accepted during the evening for the newly created Josephine Endowment Fund to support resident programs and capital improvements within the property, grounds and buildings of Josephine.*

*Please contact Becky Bunke at Josephine Sunset Home to receive an invitation as seating is limited.
